

ROZ MURTHA

"Wanting"

"Splash"

Roslyn "Roz" Murtha is currently a senior in the Animation Illustration program at SJSU, concentrating in Storyboarding. However, her true passion is getting lost in her sketchbooks. Roz's two pieces, "Wanting" and "Splash," were doodles inspired by the desire to make a mess with paint, markers, pencils, and ink. When she isn't doodling, Roz spends her time reading, cooking, playing music and wandering aimlessly around finding stray cats to befriend.
