Nancy Calef

3D oil and mixed media, sculpture,
found objects on canvas
36 x 36 in., 2010

Nancy Calef has been creating "Peoplescapes" from oil, sculptured characters, and applied objects on canvas for over thirty years. Her work addresses cultural, political, and spiritual issues. By juxtaposing people in recognizable places and situations, each painting weaves a story about contemporary life filled with layers of detail, symbolism, and humor.
